## INTRODUCTION

We, Khan Enterprises General Trading Company W.L.L are known as the multi-disciplined company that is established with a motive to cater to the growing and versatile needs of diverse organizations in the State of Kuwait. We have our wide presence in the business sectors of Human Camp Construction, General Construction, Life Support, Transportation & Logistics, MRO Supplies, Oil & Gas Field Contracts, Petroleum/Oil Field Supplies, Heavy Equipment, and Manpower Supplies. We are also involved in offering laundry & janitorial services. Our major strength lies in quality, efficiency, and integrated responsiveness. We have a proven record of executing and completing the projects successfully and within the promised time frame.

Owing to immense experience in diverse sectors, we became capable of providing different services to both multi-national and international corporations. Ours is a professionally managed company that is situated in Kuwait and catering to the clients across the globe. The organization is committed to constant and frequent

improvement by reviewing the different business segments on a constant basis. Our vision is "to lead as one of the top organizations in areas of our expertise and expand globally". And, our mission is "to provide top-quality service and products to our clients/ customers and add exceptional value and impact positively".

We are proud of our extraordinary customer list which includes the US Air Force, US Armed Services, US Defense Logistics Agency, United States Marine Corps, United States Navy, US prime contractors and vendors, Kuwait Ministries, as well as other companies.

We are 'Vigorous, Efficient and Quality-oriented; our company was founded on a philosophy based on the 3d's i.e. Dedication, Determination and Discipline", which are also our core values. We explore diverse ways to improve our performance and services. And, we surpass the expectations of the clients. Thus, we have gained a wide client base.

## OUR PRINCIPLES

The team at Khan Enterprises is working hard to maintain our corporate identity as a responsible and reliable company. Our dedicated work and healthy work environment help us in strengthening our corporate identity which revolves around customer satisfaction. We are committed to providing 100% customer satisfaction while empowering our customers in facing the changing world.

### OUR BRAND VALUES

- ✓ **Dedication:** Round the clock assistance to attain 100% customer satisfaction.
- ✓ **Determination:** Determined to provide a result-oriented solution for any problem.
- ✓ **Discipline:** Disciplined in following time, budget, and resources in project completion.
- ✓ **Delivery:** A promise to deliver every project on time.

- ✓ **Trust:** Fulfill every promise made to build and keep trust.
- ✓ **Teamwork:** Working as a team to conquer any challenge that comes in way.

We deliver a promise of highest quality at the lowest price. Our professional conduct, cost-effective solutions, and quality services assist the clients in achieving their business objectives of increased productivity, efficiency, and market-ability.

Moreover, Khan Enterprises believes that its employees are its pillar of strength. So, we ensure that there is an ample of opportunities for the employees deployed within the organization to prove their mettle. Apart from providing a supportive environment, we also ensure that all our employees are given different challenges at various steps to learn and move forward in their career.

Distribution of FMCG products is one of the core of Khan Enterprises General Trading Company W.L.L.'s working. We are a leading distributor of FMCG products in Kuwait. This FMCG division at Khan Enterprises General Trading Company W.L.L. is further divided into two sub-divisions: food and non-food products. Our working leads the industry with standards of excellence that we have created for our team. Our commitment to delivering the product to its desired location within time and the promise of maintaining quality while distributing has set us apart from other players in the retail distribution industry of Kuwait. The FMCG division of our company facilitates the suppliers with a well-planned marketing strategy for boosting sales. We individually analyze and study the business and its requirements of all our clients to tailor-made strategies that fulfill their goals.

The food and non-food division of our FMCG division are further divided into sub-divisions. Its food division has two further departments while the non-food department has three sub-divisions. Every department in the food division seeks to cater the varying needs of the multi-ethnic and diverse population of the country. Each department in our company has a dedicated team of experts with the complete knowledge of the products, its market and the market's changing trends. With such expansive knowledge, our team is certainly the most efficient sales force in Kuwait.

Our FMCG division is working in collaboration with trusted suppliers in the industry to help different companies in building their brands. We also help them in developing and implementing different programs and strategies to build, boost, and strengthen the brand image, sales, and the market share of the specific product.

## QA & QC

We have kept our clients' project needs in mind while drafting our Corporate Quality Control Policy. We take up each project with the objective to provide 100% results for our clients. We draft a course of action that enables us to face and conquer any challenge so that we can successfully complete any project we have taken up. The professionalism and expertise with which we complete each project have helped us leave a mark on every client and build a larger client base.

## Our Management

- ✓ Our processes are continuously analyzed, reviewed, and updated to fulfill Quality Control and Quality Assurance requirement.
- ✓ We have the Contract Administration Department that strictly monitors the completion of projects to ensure all specifications are duly followed

- ✓ Right from the start of the project, we administer the quality of all our products, services, and processes
- ✓ Our Quality Control policy not only covers the services and products but also the skill-sets of the employees
- ✓ All the business processes and other practices undertaken by us are integrated with the ISO Quality Management System
- ✓ To offer more value to our clients and customers, we strictly comply with the quality policies, standards, and regulations and work to continuously improve them.
